

Over seven years ago The Cellar Door opened its doors to bring a passion for wine and fine-dining to Katy.

By listening to our customers, we have cultivated a unique and fun atmosphere with **over two hundred different wines** from around the world.

In addition, close partnerships formed with Californian wineries have allowed us to produce the best possible wines for our customers. From this, we are able to provide up to **sixteen different in-house wines** that make up the The Cellar Door brand.

The Cellar Door Wine Club Membership offers many benefits and has over four hundred members. Ask your server about joining today!
